Stop throwing away half of those squares you used to pop off a corner and start saving your fabric by using the Corner Pop®. Before you know it, you will be popping off the corners of every unit. The Corner Pop® does just that — it helps to add a pop of color to any unit and can add a secondary pattern to your quilt.

Pre-class construction of units:

- (4) 4-1/2" squares of fabric

*Unit that can be constructed using a Studio 180 Design tool.
